Drainage	Mains drains
Energy efficiency rating	TBC
CO2 emissions	TBC
Agency fees	Paid by the seller

Property Description

We are delighted to offer for sale a brand new, off plan chalet, built to high specifications by one of the areas most respected local builders.

The chalet will adhere to the latest energy efficiency regulation, and its heat pump fuelled underfloor heating and state-of-the-art insulation and windows will ensure the property is economic to run.

Built over two floors the chalet will be arranged as follows;

On the ground floor, an open plan living, dining and kitchen area of 44 sqm, a pantry/laundry room, a guest toilet, entrance with storage and a single garage.

On the first floor three double bedrooms (two with balconies) a spacious family bathroom and a separate toilet.

Buyers will buy the land, and then contract the builders to build the chalet. This has the advantage of saving on acquisition costs.

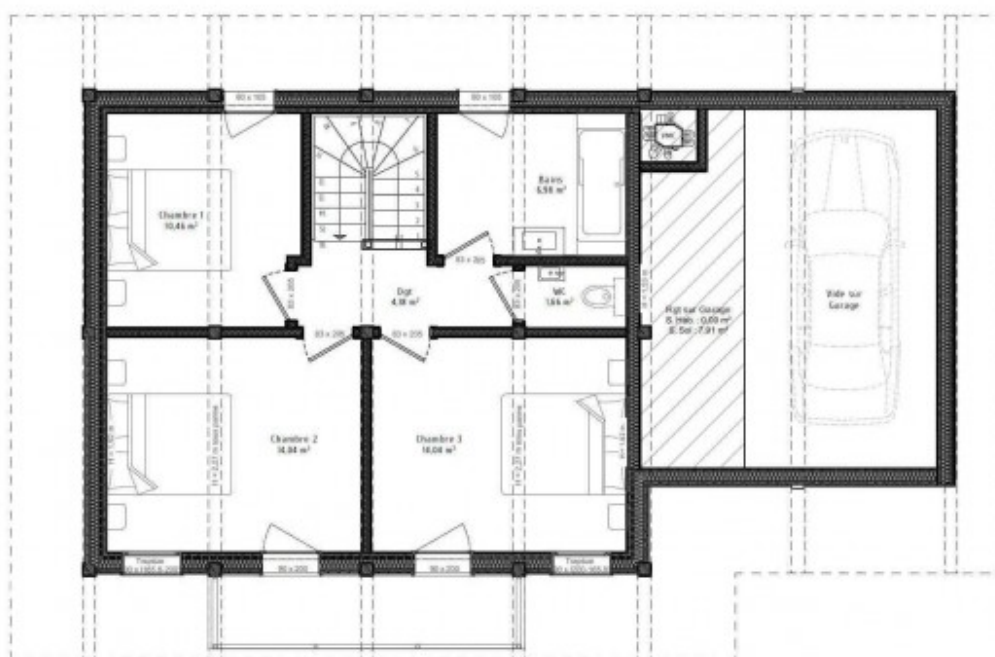

The chalet is located in the popular "Charmet" area of Bernex, close to a restaurant, and alongside the river walk which takes you to the ski station. In winter, you can often ski down alongside the river to access the skiing.

There are a number of additional costs to be aware of - tax, connection to services, insurance, notary fees, kitchen installation etc. These will total around 40.000 € TTC.

Bernex is a pleasant village, a small ski resort located just 10 minutes from Evian and the beaches of Lac Lemman. The skiing is on north facing slopes from 1000 - 2000m in altitude, and the village is only a 20 minute drive from the ski slopes of the Portes du Soleil.
