Property Description

Chalet Le Baron is located just 3 minutes away by car from the Les Carroz ski resort, in the heart of the Nants district, which is highly appreciated for its tranquility and green surroundings where both primary and secondary high end residences have flourished in recent years.

Built in 2007 by a local builder on a plot of 802 m2, its 218 m2 of usable space offers large volumes with a living room of 65 m2 and bedrooms ranging from 12 to 15 m2.

The basement accommodates a large garage, a laundry room, and a recently equipped ski storage area to accommodate ski equipment for the whole family. A staircase leads to the main room bathed in light through large windows, bringing together a fully equipped modern kitchen open to the dining and living area and complemented by a beautiful central fireplace. From this space, there is access to a large terrace overlooking the garden, facing south, from which one can appreciate the view of the Aravis mountains and is equipped with a jacuzzi.

The hallway of the main entrance of the chalet houses a toilet and a cupboard. The second floor consists of 4 beautiful bedrooms, one of which is ensuite. They all come equipped with storage. There is also a second bathroom and separate toilets.

The chalet is equipped with underfloor heating in the living area and radiators on the upper floor. The gas boiler is new and is remotely connected for better heating management.

A bus stop for free ski shuttles is located 300 metres away. A supermarket and bakery are less than 1 km away.
